

## Annual Membership Renewal Form

*Welcome!* Thank you for your interest in gardening at SEBA Gardens, the NIST campus community garden. Please use this form to reserve or renew one or more **3 m × 3 m** (10 ft × 10 ft) plots, each **\$30** per year. Your plot fee covers maintenance and shared resources: seeds, tools, shed, water tank, *etc.* Because SEBA Gardens is chartered by [SEBA](#), gardeners need to be SEBA members: please enroll if you have not already done so this year.

In the space below, please provide your name, phone number, and preferred email address for gardening-related business. If you are sharing your plot with other gardeners (SEBA members), please provide their info as well.

How many people will use your plot(s)?

*Include yourself, colleagues, family, and friends.*

Please comment on your plot preferences, if any. *Near a friend? Same as last year?* If you have questions about plot availability, please contact our Plot Coordinator, Katherine Hall: [katherine.hall@nist.gov](mailto:katherine.hall@nist.gov).

Our community is sustained by fundraising projects and community work days (typically weekday evenings) during the growing season, April through October.

Are you able to attend 3 or more work parties? – if not, can you help with fundraising?

If neither, please explain:

Are you interested in volunteering to serve on the Executive Committee?

---

Payment due:

plot(s) (3 m × 3 m) × \$30 per plot = \$

---

Please submit this form to our Treasurer, Kerry Siebein, with payment in **cash** or by **check** payable to “SEBA Garden Club, Inc.” You can find her in person (Bldg. 216, Rm. A109) or via inter-office mail (MS 6201). If you are not on campus, please email a copy of this form to [kerry.siebein@nist.gov](mailto:kerry.siebein@nist.gov) and submit a hard copy with payment once you return.
